Tshipi Borwa Project First Manganese Exported

The Project achieves another significant milestone

Key Points

- First vessel loaded at Port Elizabeth
- Vessel to depart shortly for China

Tshipi Borwa – Tshipi's first vessel being loaded with manganese at Port Elizabeth

Jupiter Mines Limited (ASX: JMS) is pleased to announce that the Tshipi Borwa Mine, in which it has a 49.9% stake, has successfully sold, shipped and exported its first manganese ore on Wednesday, December 19th 2012.

This is yet another significant milestone for the Tshipi Borwa Project since first ore was mined on October 10th and the first railings which took place on November 19th 2012, where ore was transported to the Port Elizabeth bulk manganese stockpiles.

The vessel which was loaded will depart shortly to customers located in China.

"We are excited by reaching yet another important achievement at the Tshipi Borwa mine" Jupiter's Chairman Mr Brian Gilbertson said.

"This shipment will be the first of many, and will set Tshipi up as a major player in the manganese industry".
