Air Incident concerning Geoffrey Wedlock

Jupiter Mines Limited (ASX: JMS, "Jupiter" or "the Company") notes of the statement issued on 20 June 2010 by Sundance Resources Limited (ASX: SDL) reported missing on a flight from Yaoundé in the Republic of Cameroon to Yangadou in the Republic of Congo.

Jupiter's Non-Executive Chairman Mr. Geoff Wedlock has been confirmed as a passenger on this aircraft.

Our thoughts are with the family in this distressing time.

We have asked the ASX for a trading halt until we have greater certainty, and in meantime we pray for the safety of those on board the missing plane.

Further updates will be provided when possible.

ENDS

For and on behalf of the directors of Jupiter Mines Limited

Yours Sincerely,

Robert Benussi
Company Secretary & CFO
